Baileigh Industrial DP-4016B

Bai leigh DP-4016B 16-Inch Five-Speed Bench Drill Press

Source: Manufacturer product page

Drilling & spindle

Mild-steel drilling capacity	**3/4 in**
Nominal swing	**16 in**
Detailed swing rating	**16.14 in, manufacturer specification table**
Chuck capacity	**0.03-0.625 in**
Chuck mounting	**B16**
Spindle taper	**MT2**
Spindle travel	**3.93 in**
Number of spindle speeds	**5**
Spindle speed range	**250-2,900 rpm, belt/pulley selection**

Power & structure

Motor power	**3/4 hp**
Supply voltage	**110 V, single phase**
Drive system	**Belt driven**
Column diameter	**2-3/4 in**
Base material	**Cast iron**
Head material	**Cast iron**

Work holding & controls

Table size	**Approximately 11 x 10 in**
Table material	**Cast iron**

Work holding & controls

Table movement	**Tilts for angled drilling**
Headstock movement	**360 deg**
Working load limit	**132 lb**
Drill-head guard	**Protective shield**
