Hilti TE 800-AVR - generation 01

Hilti TE 800- AVR Electric Demolition Breaker

Source: Manufacturer product page

Demolition performance

Single impact energy	**21 J (15.5 ft-lb)**
Full hammering frequency	**1,890 impacts/min**
Tool chuck	**TE -S**
Working direction	**Wall and floor**

Power & dimensions

Power source	**Corded electric**
Selected US configuration	**120 V**
Selected US item	**2064659**
Product generation	**01**
Weight, EPTA -Procedure 01/2003	**23.4 lb (10.6 kg)**
Dimensions, L x W x H	**23.1 x 5.6 x 12.8 in**

Controls & construction

Vibration reduction	**Hilti Active Vibration Reduction (AVR)**
Dust extraction accessory	**TE DRS -B, optional**
Motor	**Corded electric**
Supply cord	**Corded**

Additional ratings

Triaxial vibration, chiseling concrete	**9.0 m/s², manufacturer standard test**

Additional ratings

A-weighted emission sound pressure	**90 d B(A), manufacturer standard test**
