DEWALT DCD800B

DEWALT DCD800B 20V MAX XR 1/2-Inch Brushless Drill/Driver

Source: Manufacturer product page

Drilling & driving

Chuck capacity	**1/2 in (13 mm)**
Chuck	**Metal ratcheting**
Low-gear no-load speed	**0-650 rpm**
High-gear no-load speed	**0-2,000 rpm**
Speed control	**Variable trigger, two-speed transmission**
Operating functions	**Drilling and screw driving**

Power & dimensions

Battery platform	**DEWALT 20V MAX XR**
Maximum initial battery voltage	**20 V, measured without workload**
Nominal battery voltage	**18 V**
Motor	**Brushless**
Tool-head length	**6.37 in, manufacturer tool-head-only measurement**

Lighting & connectivity

LED output	**Up to 70 lumens**
LED positions	**Three adjustable positions**
LED modes	**Three modes including spotlight**
Spotlight timer	**20-minute shutoff**
Tracking provision	**TOOL CONNECT DCE042 chip pocket**
Connectivity chip	**DCE042 optional accessory**
