Milwaukee Tool 2877-22

Milwaukee 2877-22 M18 FORCE LOGIC 750 MCM Dieless Crimper Kit

Source: Manufacturer product page

Crimping performance

Exact kit	**2877-22**
Tool type	**Dieless hydraulic crimper**
Conductor capacity	**# 6 AWG-750 MCM copper and compatible dual-rated connectors**
Compression control	**Auto Distance Control measures contact and compression distance**
Crimp requirement	**One crimp across stated capacity range**
Connector compatibility	**Anderson, Blackburn, Burndy, Ilsco, Pandu it, Penn-Union, Thomas&Betts, per manufacturer classification**
Connection classification	**c UL us under UL486A-B, qualified connectors**
Head rotation	**180 deg**
Cycle confirmation	**Green LED**
Battery check	**Pre-crimp charge check**

Battery kit & work flow

Battery system	**M18, 18V lithium-ion**
Kit batteries	**Two REDLITHIUMCP2.0**
Kit charger	**M18/M12 multi-voltage charger**
Transport	**Carrying case**
Maximum claimed battery runtime	**Up to 90 crimps per CP2.0 charge on 600MCMC u**
Data	**ONE - KEY crimp recording/reporting**
Motor	**POWERSTATE brushless**

Battery kit & work flow

Jaw handling	**Easy-access latch and one-handed closure**
